

40-Day Prosperity Program

The 40-Day Prosperity Program is designed to reinstate the truth about your abundant nature. It will dissolve limiting unconscious beliefs you have adopted about yourself and your worth, which are undoubtedly playing out in your life. Wealth is actually the natural state of a spiritually awakened being. For some, wealth may include financial freedom (money). For others, wealth is about being certain that the authentic desires which arise within themselves as a result of their need to fulfill their destiny will always be met. Whichever feels truer for you, this program will reset your prosperity “button” and further you towards your goal.

Financial freedom is, in fact, one of the secondary goals this 40-day mind-reprogramming offers. Certainty in the Divine’s constant and abiding presence and its ability to effortlessly meet all your authentic desires is the primary goal of this program. The truth is, God is our Source, Substance, and Supply!

The program (saying one statement with emotion repeatedly throughout the day) must be done consecutively for 40 days without interruption, to begin to experience lasting change in your life.

Repeat each statement morning and night and whenever feelings of scarcity arise. State with emotion and joy in your heart the statements for Day 1 through 10, four times, equalling 40 days.

If you miss a day, you must start again at Day 1. Begin the program by filling in the statement below. Place the commencement date and your name in the space provided

On this day (date) _____, I (name)
_____, affirm the
truth of who I am as an abundant child of GOD. I know that it is my Creator’s
Will that I
reflect and demonstrate my identity as an abundant child of this loving
Creator. In
truth, I am an abundant and loving Spirit.

I know that I am surrounded by abundance in nature and that it is my inherited right to express my prosperity and generosity effortlessly. I recognize that I have fallen asleep to my ability to effortlessly create money and prosperity in my life. I realize that I have misplaced my power. I now ask the Holy Spirit to undo all consequences and effects of my sleeping, separated, and mistaken identity as ego, restoring to me the truth and inheritance of my authentic nature.

I am NOW one with the Creator and invite the union of our Mind to manifest into my life, my inheritance, and to reclaim my authorship as the master of my life experiences. I now depart from thoughts of scarcity, lack, and need that

my sleeping (ego) mind wishes to manifest. I simply move away from the belief in scarcity, lack, and need that exists in the world. I now move away from the belief that scarcity is required in my life experience. I now fully accept this change. I realize that I do not receive money from work, people, places, or conditions, but rather recognize that these things reflect my beliefs and thoughts about myself and my worthiness. I now accept my worthiness as God willed it to be. I now invite God to be my source and my supply. I now reprogram my mind in truth. My life experiences will now begin to effortlessly reflect my identity as a prosperous Spirit with a healed and Holy Mind. I release this affirmation in perfect faith and trust in God. And So It IS!

On Day 2, 12, 22, 32

SAY: God is my supply. I am at one with this supply. I am constantly pulsing with prosperity. As I am eternal, so is my supply. As I manifest abundance in my mind, all those I know also increase in prosperity. I *am* prosperity.

On Day 3, 13, 23, 33,

My thoughts reflect my true Identity as whole, abundant, and complete. I am in need of nothing. My wholeness and abundant being are reflected effortlessly.

On Day 8, 18, 28, 38,

SAY: As I awaken the Truth of God's Will for me, I emerge as prosperity. I demonstrate the Will of my Creator. I need do nothing, but know that God is my Source and my Supply. I **have**, and therefore give from that fullness.

On Day 9, 19, 29, 39

SAY: God is always in me. God is unfailing and is always happy to reflect in me and through me the truth of who I am. I am at peace with this truth. God now replenishes me for previous years during which I blocked my prosperity.

On Day 10, 20, 30, 40

SAY: I am the manifestation of God. I am worthy. I am Spirit. God is wise and knows what belongs to me, and it will be given to me as I am ready to receive. I will then share from my fullness. I am **now** ready to be restored and reminded of my authentic Identity. I am ready, and I am grateful to receive my inheritance.
